FIREWORKS STAND REQUIREMENTS

PURPOSE

To ensure fireworks stands are located and installed in compliance with codes governing their installation and with the authority of the property owner. Property owners who approve their location and installation must be totally aware of the consequences fireworks stands could have on vehicle parking. This standard ensures the siting of fireworks stands is in conformance with the Costa Mesa Municipal Code before being set in place and is authorized by the person (s) having control of the property.

REQUIREMENTS

A minimum of 100 feet from any gasoline dispenser or room in which vehicles containing gasoline are repaired; a minimum distance of 35 feet to any structure; a minimum distance of 5 feet to any sidewalk or 10 feet from curbing where no sidewalk exists; no parking within 10 feet of fireworks stand; provide adult night watchperson.

REQUIRED SUBMITTAL

A site map shall be provided to the Fire Prevention Bureau prior to placing fireworks stands in the City of Costa Mesa (deliver with application to the Finance Department). The site plan shall be drawn to scale and show the following at a minimum: all property lines; surrounding streets and sidewalks with distance to stand indicated; all buildings within 100 feet of the stand with distance to buildings and occupancy use of buildings indicated; all parking spaces within 100 feet of stand; location of adult night watchperson; location and type of power source; a written statement of how **NO PARKING** within 10 feet will be enforced.

*Placement, setback requirements and property owners/agents authorization for fireworks stand is as follows:

LOCATION

Vacant lots on which stands are erected and maintained shall be free of all weeds and combustible material before the erection of any fireworks stand. It shall be the responsibility of the stand operator to see that this procedure is carried out.

The minimum placement requirements: 1) 100 feet from any gasoline dispenser or storage; 2) 35 feet from any structure; 3) 5 feet from sidewalks or 10 feet from curbing if no sidewalks; 4) location of power source if any (existing source "ES" or generator "G"). *Also note on site plan the location of the adult night watchperson (noted on site plan as "WP").
